

**Grades 5G & 6D Chemical Science Workshop
'Chemistry Capers'
Thursday 1 June**

Dear Parents / Carers,

As part of our Integrated Studies theme 'Chemical Science' we will be holding an in school visit by Fizzics Science Education Workshops. In this 90 minute workshop, students will find out about the science that can be found in your own kitchen through hands-on science investigations in chemistry. The workshop will cover a broad range of chemical concepts such as physical changes vs chemical reactions, acids vs bases and indicators to detect them, properties of solids, liquids and gases, energy changes and more.

Total cost of the Fizzics Science Education Workshop is \$13.00

Please return the permission slip and payment to the class teacher
by Tuesday 30 May
