

Life Education – Permission Form

East Bentleigh
Primary School

Dear Parents

As part of our drug and health education this term we are having the Life Education mobile learning centre visit our school from:

Tuesday 8th – Thursday 10th August

Students in the Mainstream and Steiner Class 5D and 6L will be involved in this program

Life Education delivers health and drug education through a unique mobile learning centre environment which provides students to develop strategies and practice the skills required to lead a healthy lifestyle.

Lessons are age appropriate and the children will be covering a wide range of health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

Healthy Harold, the much-loved Life Education giraffe mascot is always a much-anticipated element of the visit. The sessions are always fun, interactive and really extend and develop the children's understanding of the topics covered. We will be further broadening these topics in class both prior to and after the visit with the student workbook, which is included in the cost of the visit. It is important that your child attend this session.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile learning centres on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

The cost for this incursion is \$10.00 per child.

Please fill out the attached permission and payment form and return to the by: **Wednesday 2nd August**
