Term 2 / Week 5: 18th May 2017

SCHOOL VISION: East Bentleigh Primary School provides a rich, inviting, child-focused environment ensuring that all students feel safe and stimulated. Our students are able to achieve their full academic, creative and social potential, equipped for the challenges of lifelong learning. Students develop into healthy and confident individuals, actively contributing to the world in which they live.

Hello everyone,

Year 3 Showcase Dinner

The first of three of this very special event in our calendar was held last night with about half of our Year 3 students hosting and serving delicious food made in our kitchen to 53 appreciative family members. These dinners whilst a lot of work for Nikki and her team are such a powerful way to embed lifelong skills and pride in achievement for our students. To watch our students carefully taking their parents' orders, coming back to retrieve the relevant items from the kitchen, then carefully serve them was a joy to watch. As I said and as I'm sure you will appreciate lots of planning and effort goes into making this event so successful. It is yet another example of the way our dedicated staff go over and above to provide these extras for our students. Thanks to you all and to the parents who supported the dinner by your attendance.

Years 5 and 6 Working Bee

A reminder that we are calling for all hands on deck on this Saturday morning 20th May to complete some tasks in preparation for our next Farmers' Market and Open Day on Saturday 27th May. If you can spare even an hour or so your help will be much appreciated.

Lost Property - relocated

You may have noticed we no longer have our lost property in the old cupboard under the walkway. We have decided to move lost property to a cleaner location. It is now in the First Aid room opposite the school office.

Walk Safely to School Day

It's Walk Safely to School Day tomorrow (Friday) May 19th. We are meeting at Centenary Park (Brady Rd. side - near pavilion/tennis courts), leaving at 8:25am, walking across the park and up Bignell Road to school. Come and join our walk!

Active Kids are Healthy Kids

Jump Rope for Heart

If you have been reading our communications home, you will know our 'Jump Off' day is Wednesday 14th June starting at 9am for our junior students and 11:30am for our senior school. John our PE teacher has just sent me an email advising that we have 22 students already registered for this fun fundraiser. I hope many others are busy practising their skipping and finding sponsors. You can register online or collect a sponsorship form outside the office.

To register online for the JUMP ROPE FOR HEART DAY Wed. 14th June
